### Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* Bureau of the Census.

*Title:* Current Industrial Reports (Wave II Voluntary).

*Form Number(s):* M33J, MQ20A, MQ28A, MQ28C, MQ28F, MQ31A, MQ36C, MA20D, MA35N, MA36L.

*Agency Approval Number:* 0607-0206.

*Type of Request:* Revision of a currently approved collection.

*Burden:* 4,514 hours.

*Number of Respondents:* 2,550.

*Avg Hours Per Response:* About 45 minutes.

*Needs and Uses:* The Current Industrial Reports (CIR) program is a series of monthly, quarterly, and annual surveys which provide key measures of production, shipments, and/or inventories on a national basis for selected manufactured products. Government agencies, business firms, trade associations, and private research and consulting organizations use these data to make trade policy, production, and investment decisions.

For clearance purposes, the approximately 72 CIR surveys are divided into "waves." Each wave has an associated voluntary and mandatory clearance package, making 6 separate clearances. Each year, one wave (2 clearance packages) is submitted for review. This year we are submitting the voluntary and mandatory clearance packages for wave II. This clearance package contains "counterpart" forms. Counterpart forms were added to supplement some voluntary monthly and quarterly surveys to collect annual information on a mandatory basis from respondents not participating in the more frequent collections. In addition to requesting a three-year extension of OMB approval, in this request, we are revising some CIR surveys or changing reporting status or frequency.
